

# ★ Celebrating ★ 5 Years of Quality Improvement!

Telligen QIN-QIO 2014-2019

Assisting healthcare providers navigate the Quality Payment Program (QPP) to analyze performance data and identify reimbursement opportunities.

Over **10,000**  
clinicians served!

*"Telligen's help was much more valuable and beneficial to me than many hours of reading and trying to understand on my own!" - IL provider*

## Participation in QPP

\*percentage of eligible clinicians in each state that plan to participate

**Colorado**  
**99.5%**

**Illinois**  
**92.6%**

**Iowa**  
**98.5%**

## QPP Coffee Talks

Telligen's educational series and open discussion for QPP-related topics.

**44**  
Average number of attendees each month

**99%**  
of participants satisfied with services provided

**28**  
total Coffee Talks since initial event Dec. 2016

*"Excellent assistant and support as always! As a small facility with limited resources, Telligen's guidance is invaluable as we plan and navigate QPP changes."*  
- IA provider

## Communications

**400+** Resources Uploaded each Year

**175** QPP Podcast Listens

**8,630** Twitter Impressions each Month

*"Thank you so much for all that you do in helping us with MIPS. We would truly be lost without [Telligen]."*  
- CO provider

## QPP Outreach

**49** Presentations

**21** External Organizations

Over **2,400** Participants
