"All of the training with the webinars and sharing calls have really helped our organization understand the measures and the expectations."

– IPPS Clinical Effectiveness Specialist, Colorado

"Your webinars and sharing calls are very beneficial. Thank you for putting these on to increase our knowledge in the core measures, specifically psychiatric."

– CAH IPF Quality Director, Iowa

"Telligen has been instrumental in offering guidance and support for all of the measures and updates to the IPFQR initiatives."

– IPF Performance Improvement Coordinator, Illinois

97% of Telligen's recruited ASC, IPF and CAH facilities have demonstrated improvement in one or more measures

100% of Telligen's recruited IPPS facilities are achieving 2 or more Hospital Outpatient Quality Reporting measures at or above national average

97% of Telligen's recruited IPPS facilities are achieving 3 or more Hospital Value-Based Purchasing measures at or above the national median
