

Janet Hunter
Education Specialists
Provider Outreach and Education
Novitas Solutions, Inc.

Janet Hunter has more than 37 years of Medicare experience. She began processing claims and progressed to customer service, correspondence, quality, internal training and supervisor of Provider Outreach and Education. She led several projects including coordinating ISO certification and workload transitions. Janet has developed both internal and external educational activities. Janet developed curriculum and trained several Medicare contractors transitioning to the current claims processing system. She has presented at several large national Medicare Advantage Centers for Medicare and Medicaid Services (CMS) sponsored seminars.

Ms Hunter has been with Novitas Solutions for 7 years serving providers as an Education Specialist which includes Provider Outreach and Education activities.

Janet Hunter attended Arlington Baptist College in Arlington, TX.
